

Internship Position

RehaDesign UAB is an international company based in Vilnius, Lithuania which designs and distributes products for wheelchair users. We are looking for an intern for the summer and ideally longer. The intern will assist with social media, SEO and/or business development.

This will be a part-time, paid position. The intern will work remotely.

The intern should be

- living in Vilnius, ideally for another year or more.
- fluent in English and ideally other European languages (French, Spanish, Italian, German, etc).
- Experienced in social media or SEO or sales
- able to meet once per week in Vilnius old town.
- able to communicate in Lithuanian language but this is not essential.
